Dear Brookdale families,

Welcome! I am thrilled and excited to be the principal of such an amazing school community.

The faculty and staff at Brookdale School is dedicated to creating a positive and engaging learning environment for all students. Each student adds value which helps to make our school the special place that it is. We hope to build the foundations that will sustain and promote lifelong learning. Each student is unique and learns in a different way. The teaching staff at Brookdale is dedicated to differentiating instruction so your child's needs are met. In addition we are constantly integrating technology to enhance instruction.

Brookdale School has a very dedicated and hard-working Home and School Association. Parents fundraise to support the curriculum and special school programs such as educational classroom materials, technology, field trips, assemblies and class celebrations. I encourage you to get involved!

I am very proud of the hard work our staff does to make Brookdale School create lifelong learners who will be ready to take on the world! I welcome all parents as partners in their child's education and look forward working with all of you!

Best,
Ms. Lauren Barton
Principal
